B. Hari Saptaning Tyas

Condrodewi Puspitasari

Keywords: Pseudo-participation, Sustainable Development Goals, Indonesian Local Cases, Social Solidarity, Communication Strategy

ABSTRACT It is expected that the central government promotes

sustainable development goals (SDGs) to enhance social participation and inclusivity in creating sustainable livelihoods at the village level. Although the Indonesian government has implemented policies to increase stakeholder awareness, there are still restrictions on inclusive participation, limiting the democratic process. This paper aims to analyse the promotion of SDGs in Terong Dlingo Village, Bantul Regency, Indonesia, focusing on regulatory aspects and social participation. The research adopts a case study approach
